AVIGILON SMART ASSURANCE PLAN

Protect Software Investments with 1, 3 & 5-Year Upgrade Plans

The Avigilon Smart Assurance Plan offers optimal protection for your Avigilon Unity Video software in the form of annual and multi-year upgrade plans, ensuring you always have timely access to the newest capabilities and services over the life of your plan. In addition, you can take advantage of Advanced System Health, which comes with every plan at no additional charge and provides you the ability to proactively manage, maintain and update sites and devices as new Unity Video software and device firmware are released.

WHY CHOOSE A SMART ASSURANCE PLAN?

PROTECT SYSTEM INVESTMENT

Future-proof your Avigilon video security system with evergreen upgrades to Unity Video releases for the life of your plan. Have peace of mind that your system is fully operational from an easy-to-review health dashboard.

PAIN-FREE UPGRADES

Each plan includes an Advanced System Health subscription at no additional charge, allowing you to remotely manage, maintain and update sites and devices the moment new Unity Video software and device firmware becomes available.

TIMELY ACCESS TO NEW FEATURES

The Smart Assurance Plan offers a direct, hassle-free path with eligibility to the latest Unity Video version so you can upgrade when you are ready.

COST CERTAINTY

Multi-year plans offer predictable costs with no surprises over the life of your plan, reducing budgetary challenges for your security projects.
